Re: Human Rights Campaign PAC (June 2009 Monthly Report)  
Identification Number: C00235853

This letter responds to your request for additional information dated July 31, 2009 regarding HRC PAC's June 2009 Monthly Report.

1. HRC PAC has established the following procedures consistent with the FEC's "best efforts" regulations:
  - a. First, HRC PAC solicitations include a clear and conspicuous request for the contributor identification information and inform the contributor of the requirements of federal law for the reporting of such information.
  - b. Second, HRC PAC makes one follow-up, stand alone effort to obtain this information, whether the contribution(s) was solicited or not. This effort occurs within 30 days after receipt of the contribution in the form of a written or oral request. Requests clearly ask for the missing information without soliciting a contribution and inform the contributor of the requirements of federal law for the reporting of such information. Written requests include a pre-addressed return envelope.
  - c. Third, when HRC PAC receives contributor information after the contribution(s) have been reported, we file amendments to the report(s) originally disclosing the contribution(s) in compliance with the regulations.
2. HRC PAC has obtained additional information or clarified existing information for all of the entries specifically identified in the request. We have since amended Schedule A supporting Line 11(a)(1) for each entry identified as inadequate. An amended June 2009 Monthly Report was filed this week, along with amended February, March, April, May and July Monthly Reports.

I hope this additional information answers your specific requests. Should you need further information, please feel free to contact me at (202) 216-1549 or Darrin Hurwitz, Assistant General Counsel, at (202) 572-8914.

Sincerely,

Jim Rinefierd  
Treasurer
